# DXP SEAL DIVISION INCOMING INSPECTION

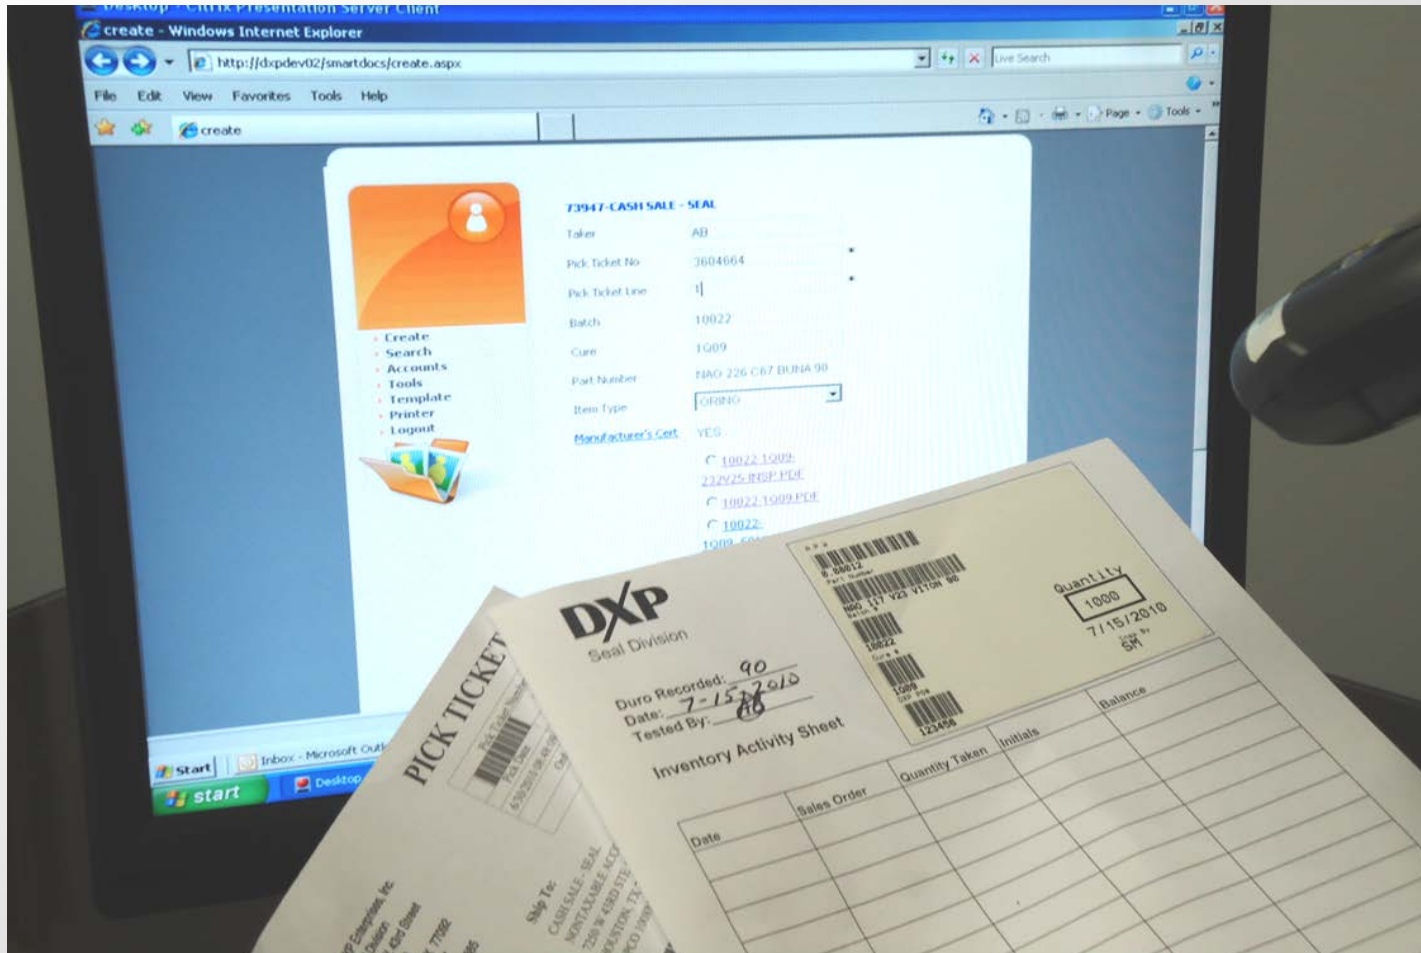

# DXP inspection procedures include:

- ◆ Dimensional verification
- ◆ Compound certification
- ◆ Visual integrity inspection

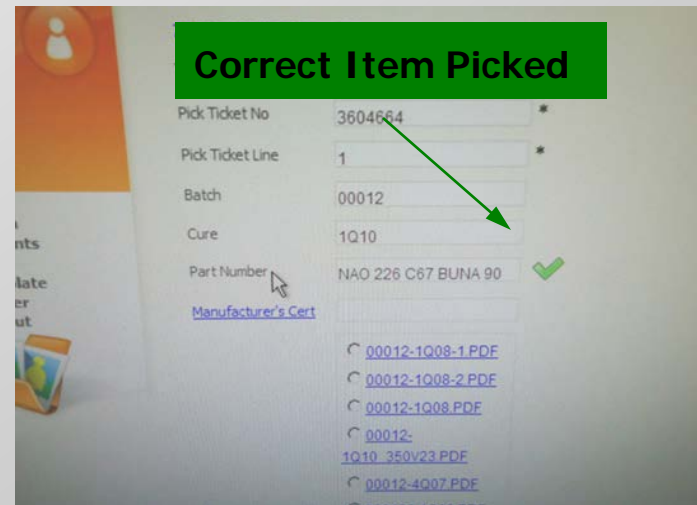

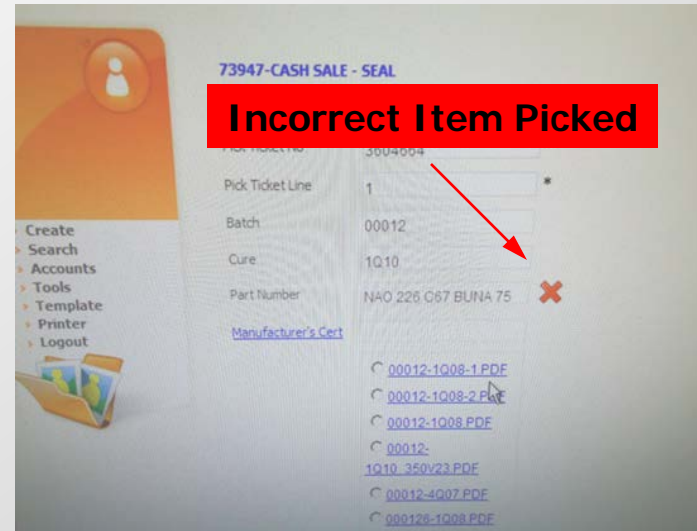

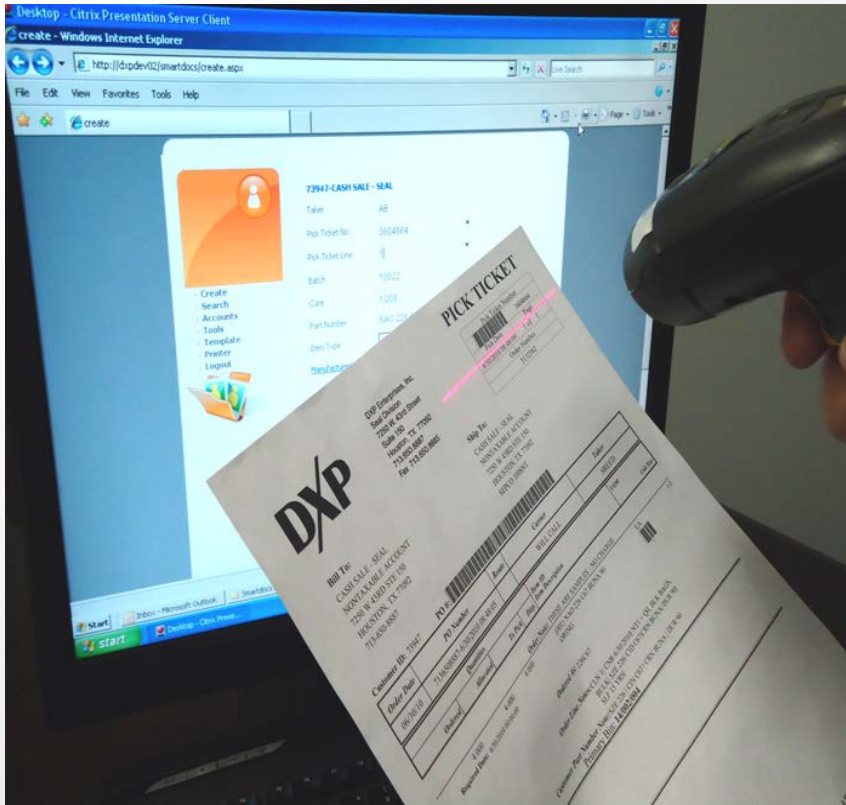

# With the SmartDocs<sup>®</sup> order system, EDI orders can be processed without manual data entry to eliminate keystroke errors

# DXP scanning technology prevents errors by matching ordered items with “picked” items

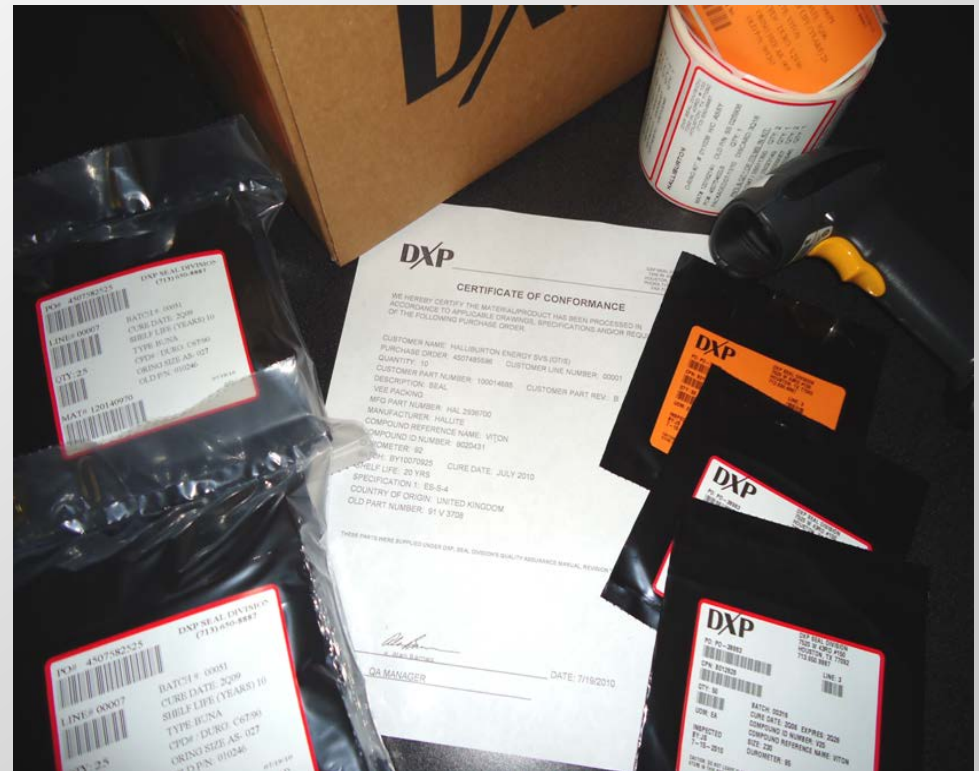

# Exclusive SmartDocs<sup>®</sup> software converts product information to DXP Certs & labels that are available online or emailed to our customers
